7

Once connected, click the **X** on the right side. Your computer webcam should turn on.

If not, move your mouse to the lower left and click the **Start Video** icon.

8

This is a one-way video connection – the STS operator will see you but you will not see the operator.

You are all set to give the STS operator your call instructions using STS with VA-STS.

9

When your VA-STS phone call ends, click **Leave Meeting** to “hang up” and log out.

NOTE: If you do not log out, you will remain connected to the meeting room.

Important Information

Before making your first VA-STS call, you are encouraged to request **one-on-one training**, in person or remotely, to facilitate a quality experience with VA-STS.
